

## Fancy a coffee?

Our local supplier, Skye Coffee Roasters, sources & selects some of the finest gourmet coffees from around the world. It is then hand roasted in small batches to perfection, grinding each cup to order, bringing out the best of each variety.

All our coffees are made lovingly with double shots. Please check the blackboard for our current seasonal offerings. All coffees are available as decaf & with either semi-skimmed, oat, soya or almond milk. Flavoured syrups are also available for £1.25 extra.

### Why not try CBD oil

In any of the above coffees for **£1.95** extra

CBD coffee brings the benefits of both together as a combination of two natural substances: a natural plant-based caffeine drink, & a natural cannabinoid.

CBD is a natural chemical from the cannabis plant & is used in products like oils & edibles to impart a feeling of relaxation & has many potential therapeutic benefits, including anti-inflammatory, analgesic, anti-anxiety & seizure-suppressant properties.
