Why not try CBD oil

In any of the above coffees for £1 extra

CBD coffee brings the benefits of both together as a combination of two natural substances; a natural plantbased caffeine drink, and a natural cannabinoid.

CBD is a natural chemical from the cannabis plant and is used in products like oils and edibles to impart a feeling of relaxation and has many potential therapeutic benefits, including anti-inflammatory, analgesic, anti-anxiety and seizure-suppressant properties. Unlike its cousin tetrahydrocannabinol (THC), it's not psychoactive or
